Listing details

General Information

Reference Number: RF128491
Title: The Kiever Synagogue of Toronto
Description: Set like a hidden jewel in the residential heart of Kensington Market since 1917, The Kiever holds services every Shabbat and on all Holy Days. The format is a traditional but spirited modern orthodox service with a welcoming attitude that is respectful to all. This shul really evokes a genuine sense of roots and spirituality for all who enter her doors. Bar & Bat Mitzvah, Hebrew and Jewish "How-To" lessons are open to everyone. Due to its historical beauty and its immaculate air-conditioned facilities, The Kiever is often booked for weddings, Jewish special events and concerts by people from all over the city and the world. As the Jewish community returns to the heart of the city, the Kiever holds a special place ready for you.
